Linked in Friendship, Connected in Service
Eastern Area

Sister Links,

It would be a great privilege and honor to serve on the Nominating Committee for the Eastern Area. Our organization has demonstrated since its inception women who distinguished themselves by standing on qualities that define an exceptional leader: **Integrity, Trustworthiness, Fairness, Inclusiveness, Talent, Wisdom and Education.**

I understand the importance of developing and applying criteria associated with various positions, creating a process and policies and procedures that promote effective decision-making, transparency and succession of our compelling legacy of success. My experience working within and outside of Linkdom has prepared me to take on the Nominating Committee role.

A key factor that aligns with the return on investment of our friendship and service is the availability of a pipeline of credentialed women. The Nominating Committee enables this outcome and I am ready to serve.

Sisterly, Link Denise
